Hi, I'm Abhishek Patil, Batch 2015-2017!

'For me it was a tough decision to leave my job and join IGTC PGPBA course. Now I feel that it was the right decision as it has helped me to gain practical management experience and know-ledge. But also the faculty and the course contents are excellent. Being a training centre under the aegis of the Indo German Chamber of Commerce it has opened career avenues for me in managerial roles in German and Multi-National Companies.'
