Hello, my name is Jaideep Phadke!

"The harder you work the luckier you get."

'Joining the PGPBA programme at IGTC is one of the best decisions I have ever made. Although initially in doubt about how I could settle in a new city with new people, as time passed I became comfortable and confident. The course provides an ideal platform to build a strong set of skills. Besides being imparted up-to-date and vital theoretical knowledge the experience has helped me to build personality and self-discipline.'

The course also gives the opportunity to intern at some of the major German companies helping me to increase my practical knowledge.

All in all, the journey has been memorable and worthwhile.'
