Hello, I'm Maria Sebastian, Batch 2015-2017!

"No one is going to hand me success. I must go out and get it myself. That's why I'm here . To dominate. To conquer. Both world and myself."

I always wanted to peruse a management course after my graduation. For various reasons I chose IGTC in the end. They provide an exposure to the German culture through the German dual education system. I am glad that I made the right decision to be a part of this dual education system. The professors are highly qualified and the education system gives us a practically learning experience which helps us tremendously to be good managers in the future."
