Hi, I'm Rachana Singh!

*With my aunt being an IGTC alumnus and knowing how it helped her career grow, I always knew what my step after graduation would be. Since I also have a certificate B2 in German, I was even keener on joining IGTC. Indeed I had to move far away from home and family but now I realise that the decision was totally worth the distance. The faculty is highly qualified and has in depth knowledge of each subject. Along with the theoretical knowledge, getting an opportunity to intern with Ducker Worldwide India enhanced the practical aspects of management. Put together, Vielen Dank IGTC für diese Gelegenheit. Ich bin wirklich dankbar.*
