Hello, I'm Rahul Patil!

*"As a management graduate, I thought of enhancing my knowledge and skills further. Joining IGTC was one of the most important decisions that I have made in my life and I have never regretted it. My overall experience at IGTC is positive. If you are looking for a place that fosters learning in an open environment with a focus on practical knowledge, IGTC is the place you got to be. The professors are highly qualified and take a keen interest in the overall growth of the students. IGTC provided me with an internship at Siemens which gave me an exposure to the corporate world. Moreover, this course helps me to broaden my vision and gives an edge to my personality."*
